

**Zeitplan – Blockpraktikum SS 2026 3. Studienjahr (6. Semester) Humanmedizin**

Praktikumsort: Institut für Med. Mikrobiologie

Kursräume: 2 OG – Forschungsgebäude

Liebigstraße 21, Räume 2052 + 2053

| Tag           | Uhrzeit       | Kursgruppe | Fach            | Kursgruppenleiter                       |
|---------------|---------------|------------|-----------------|-----------------------------------------|
| Di 07.04.2026 | 12:30 – 15:00 | 9-12       | Mikrobiologie 1 | Prof. Moter + Weidner /<br>Frau Neumann |
|               | 15:30 – 18:00 | 1-4        | Mikrobiologie 1 | Prof. Moter + Weidner /<br>Frau Neumann |
|               |               |            |                 |                                         |
| Mi 08.04.2026 | 12:30 – 15:00 | 17, 21-23  | Mikrobiologie 1 | FA Lippmann /<br>Dr. Rebenstorff        |
|               | 15:30 – 18:00 | 5-8        | Mikrobiologie 1 | FA Lippmann /<br>Dr. Rebenstorff        |
|               |               |            |                 |                                         |
| Do 09.04.2026 | 12:30 – 15:00 | 13-16      | Mikrobiologie 1 | FTÄ Eder /<br>Frau Neumann              |
|               | 15:30 – 18:00 | 9-12       | Mikrobiologie 2 | PD Dr. Abdelbary /<br>Frau Neumann      |
|               |               |            |                 |                                         |
| Fr 10.04.2026 | 12:30 – 15:00 | 1-4        | Mikrobiologie 2 | FA Lippmann /PD Dr.<br>Abdelbary        |
|               | 15:30 – 18:00 | 17, 21-23  | Mikrobiologie 2 | FA Lippmann /<br>PD Dr. Abdelbary       |
|               |               |            |                 |                                         |
| Mo 13.04.2026 | 12:30 – 15:00 | 13-16      | Mikrobiologie 2 | FA Lippmann /<br>Frau Neumann           |
| Mo 13.04.2026 | 15:30 – 18:00 | 5-8        | Mikrobiologie 2 | FA Lippmann /                           |

|               |               |           |                 |                                           |
